MEMORANDUM FOR Commanders/Directors, Major Subordinate Commands, Field Operating Activities, Engineer Research Development Center, (ATTN: Directors of Information Management), and Headquarters Staff Principals

SUBJECT: Information Technology Campaign Plan

1. This memorandum promulgates the USACE Information Technology Campaign Plan, found at URL: <http://www.usace.army.mil/ci/campaign-plan.pdf>. The purpose of this plan is to ensure that USACE information technology activities effectively support the Corps' mission. To that end, the plan focuses on four key strategic initiatives that are engineered to leverage past, current, and future information technology investments to obtain continuous improvements in USACE programs, projects, and product/service deliveries. Addressees should visit the aforementioned hyperlink, to review subject plan and use it for successful enterprise-wide development, deployment, and operation of information technology processes.

2. The suspense date for review/comments is COB 26 February 2002. My point of contact for this matter is Ms. Connie E. Demby, CECI-TA, (202) 761-1712, E-Mail: [constance.e.demby@usace.army.mil](mailto:constance.e.demby@usace.army.mil).
